[1F_PS] Poster Session of Diversity Promotion Committee

[1F_PS] Poster Session of Diversity Promotion Committee

The Diversity Promotion Committee consistently organizes poster sessions aimed at disseminating information across various affiliations and job categories, with a focus on diversity-related research and development, and the enhancement of work styles. The upcoming session, themed "Diverse Careers (My Way of Working)," will feature participants sharing their aspirations and daily experiences within the nuclear and radiation fields and work styles in foreign organizations. After the poster session, there will be an opportunity to exchange ideas and opinions to think about career paths. Attendance is open to all registered attendees of the fall conference, and we eagerly anticipate welcoming both you and your students.
