Request for participation in the JIMM's annual meeting

Effective May 8, the new coronavirus infection has been reclassified as a category 5 infectious disease. In accordance with this change, we ask that you take your own infection control measures when attending in the JIMM's Annual Meeting. We ask that you continue to use basic infection control measures and cancel your attendance if you have a cough, fever, sore throat, or other symptoms of illness, or if there are people in your environment who are infected with the new coronavirus.

We ask for your understanding and consideration as we ask to use your own judgment in wearing masks.

You can also download abstracts by category from "Download PDF for print".
