

Day 0 (July 15)		8:30	9:00	9:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30	17:00	17:30	18:00		
Room A																							
Room B (5F Small Hall A)																			Satellite WS 01 Nuclear Pore Complex and Chromatin: Gatekeepers of Genome Regulation 【E】				
Room C (5F Small Hall B)																			Satellite WS 02 Tuning Organelle Volume 【J】				
Room D (9F 901)													細胞生物+発生生物合同若手の会 交流会 「時を超える細胞と発生の物語」 【J】										
Room E																							
Room F																							
Meeting Room (9F 904)																		CSF編集委員会					

Day 1 (July 16)

	8:30	9:00	9:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30	17:00	17:30	18:00	18:30	19:00	19:30		
Room A (2F Large Hall)			Symposium 01 Cross-scale Patterning in Reproduction 【E】													Presentation Awards for Young Researchers 【E】									
Room B (5F Small Hall A)	Educational Lecture 【J】			Workshop 01 Frontiers of Cell Biology Research from Unicellular Organisms 【J】			Oral Presentation 1 Gene expression/Nucleus 【E】		Luncheon Carl Zeiss Co., Ltd. 【J】														Special Event (Senior) 「ぼくたちの失敗」 【J】		
Room C (5F Small Hall B)				Workshop 02 A New Perspective on Life Emerging from Sulfur Research 【J】			Oral Presentation 2 Cell-Cell signaling and Cancer 【E】		Luncheon EVIDENT 【J】																
Room D (9F 901)				Workshop 03 Organelle Metamorphosis 【J】			Oral Presentation 3 Degradation / Intracellular trafficking / Organelles 【E】		Luncheon Thermo Fisher Scientific 【J】																
Room E (9F 902)				Workshop 04 Frontiers in developmental cell lineage analysis 【E】			Oral Presentation 4 Migration / Tissue Porarity 【E】		Luncheon Leica Microsystems K.K. 【J】																
Room F (9F 903)				Workshop 05 Exploring Biological Continuity from Embryo to Organism by Multi-Scale Approach 【J】			Oral Presentation 5Development, Regeneration, and Evolution 【E】																		
Poster Room (6F, 7F)												Poster Presentation													
Exhibition (6F, 7F)			Exhibition (Equipment & Books)																						

Day 2 (July 17)

		8:30	9:00	9:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30	17:00	17:30	18:00	18:30	19:00	19:30	20:00	20:30		
Room A (2F Large Hall)			Workshop 06 The Blueprint of Complex and Functional Intracellular Structures [J]			Oral Presentation 6 Mechanobiology [E]							Symposium 02 Sexual Reproduction: Its Origin and Diversity [E]							Plenary Lectures [E]								
Room B (5F Small Hall A)			Workshop 07 Dietology [J]			Oral Presentation 7 Reproduction/Early embryogenesis [E]		CSF reviewer講演会 [J]					Symposium 03 Aging Kaleidoscope: Solving the aging puzzle from various perspectives [E]															
Room C (5F Small Hall B)			Workshop 08 Intra-cellular dynamics in zygotes and early embryos [J]			Oral Presentation 8 Cellular Signaling [E]		JSDB Frontire Prize [E]					Symposium 04 Exploring Morphogenetic Dynamism in Multicellular Systems [E]															
Room D (9F 901)			Workshop 09 Understanding, measuring and manipulating protein lifetimes [J]			Oral Presentation 9 Morphogenesis [E]							Symposium 05 Organelle interplay and membrane dynamics: orchestration of cellular processes in space and time [E]															
Room E (9F 902)			Workshop 10 New techniques and applications of super-resolution fluorescence microscopy for synaptic proteins [E]			Oral Presentation 10 Proliferation and Differentiation [E]							Symposium 06 Mathematics, Physics, and Data Science in Biology [E]															
Room F (9F 903)			Workshop 11 Light-Sheet Microscopy and Multidimensional Data Analysis for Elucidating Biological Functions [J]			Oral Presentation 11 Technical advances / Modeling [E]							Symposium 07 Reconstructing functional nuclei -Nuclei in early embryos - [E]															
Poster Room (6F, 7F)																Poster Presentation												
Exhibition (6F, 7F)			Exhibition (Equipment & Books)																									
Reception (8F)																						Reception						

Day 3 (July 18)																	
	8:30	9:00	9:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30
Room A (2F Large Hall)			Symposium 08 Molecular mechanisms underpinning diverse physiological functions of autophagy 【E】								Workshop 12 Pioneering new frontiers in cell cycle research through cutting-edge technologies 【J】						
Room B (5F Small Hall 1)			Symposium 09 Spatiotemporal Genomics in Development and Cell Biology 【E】							Luncheon NIKON SOLUTIONS CO., Ltd. 【J】		Workshop 13 Cross-Scale Approaches to Deciphering Life's Dynamics and Formation 【J】					
Room C (5F Small Hall 2)			Symposium 10 Frontiers in Stem Cell and Regenerative Biology 【E】							Luncheon ABiS Image Contest 【J】		Workshop 14 Quality of Life Strategies for Aging Populations: Insights from 'Mechanically Responsive Cells' that Sustain a 'Moving Body' 【J】			Special Event (Young) 「これが私の生きる研究(みち)」 【J】		
Room D (9F 901)			Symposium 11 Beyond the Model: Diverse Organisms and Their Contributions to Exciting Biology 【E】							Career Path Luncheon Seminar 【J】		Workshop 15 Chronoproteinology: Temporal regulation of transcription, translation, protein and neural activity. 【J】					
Room E (9F 902)			Symposium 12 Understanding the formation of multicellular organisms from cell-cell adhesion and extracellular matrix 【E】									Workshop 16 Multicellular Blueprint: Intercellular Mechanochemical Synergy in the Fabrication of Multicellular Structures 【E】					
Room F (9F 903)			細胞生物+発生生物合同若手の会 シンポジウム 「「時」をめぐる生物学 ～多様な時間スケールで生命を理解し、次世代を創造する～」 【J】									Workshop 17 Imaging organelles: in memory of the late Dr. Kazuo Kurokawa 【J】					
Poster Room (6F, 7F)							Poster Presentation										
Exhibition (6F, 7F)			Exhibition (Equipment & Books)
